

While an "apex predator in the privilege ecosystem" (straight, white, able-bodied, upper-middle class, educated, right-handed, male, etc.) Nick Ardinger has experience working to promote understanding of diversity through more than twenty years of working in student affairs in higher education. He has experience living in a consensus-based intentional living/learning community and holds degrees in comparative literature, cultural studies and education. He believes that Black lives matter.

(Authored by N. Ardinger)
