**RE: VILLAGE OF FOREST PARK  
ROOSEVELT ROAD CORRIDOR TIF DISTRICT  
FISCAL YEAR 2017/2018**

Dear Ladies and Gentlemen:

We do hereby certify that the law firm of Storino, Ramello & Durkin serves as Legal Counsel to the Village of Forest Park, Illinois. We further state that to the best of our knowledge and belief, during the Fiscal Year 2017/2018, the Village was in compliance with the Tax Increment Allocation Redevelopment Act [65 ILCS 5/11-74.4, *et al.* (State Bar Ed. 2016)] for the above TIF district; provided, no opinion is rendered regarding the timeliness of any reports filed by the Village pursuant to the Act.

This opinion is rendered solely for your information and no other parties shall be entitled to rely on any matters set forth herein without the express written consent of the undersigned. This opinion is limited to the matters set forth herein and no opinion may be inferred or implied beyond that expressly stated.

## INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor  
and Commissioners  
Village of Forest Park, Illinois

***Report on the Financial Statements***

We have audited the accompanying financial statements of the Roosevelt Road Corridor TIF Fund (the "TIF") of the Village of Forest Park, Illinois, as of and for the year ended April 30, 2018, and the related notes to the financial statements, which collectively comprise the TIF's financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

---

(Continued)

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the TIF of the Village of Forest Park, Illinois, as of April 30, 2018, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Emphasis of Matter**

As discussed in Note 1, the financial statements present only the TIF and do not purport to, and do not, present fairly the financial position of the Village of Forest Park, Illinois, as of April 30, 2018, and the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Reporting Entity

The accompanying financial statements include the accounts of the Roosevelt Road Corridor TIF Fund, for which the Village of Forest Park, Illinois ("Village") Village Council has oversight responsibility, and are not intended to present fairly the financial position and results of operations of the Village as a whole.

The Roosevelt Road Corridor TIF Fund was established to account for transactions related to the Redevelopment Plan and Redevelopment Project within the municipal boundaries established by Village Ordinance.

The Village intends to fund various expenditures of the redevelopment plan and project and retire any debt issued for the project through the following intended sources of revenue:

Incremental property tax revenue  
Investment earnings

Fund Accounting, Measurement Focus, and Basis of Accounting

The accounts of the Village are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions.

The Roosevelt Road Corridor TIF Fund is classified as a Special Revenue Fund.

*Governmental funds* are used to account for the Village's general government activities. Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting revenues are recognized when susceptible to accrual (i.e., when they are "measurable and available"). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Village considers all revenues available if they are collected within 60 days after year end. Expenditures are recorded when the related fund liability is incurred, except for unmatured interest on general long-term debt which is recognized when due, and certain compensated absences and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources.

Cash, Cash Equivalents, and Investments

Separate checking accounts are maintained to satisfy legal restrictions or as authorized by the Village Council. The Village maintains a cash checking account pool that is available for use by all funds except the pension trust funds. Each fund type's portion of this pool is included on the combined balance sheet as "cash and cash equivalents." The deposits and investments of the pension trust funds are held separately from those of other funds.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

All investments are reported at fair value, which generally represents quoted market price as of the last business day of the year. Gains or losses on the sale or maturity of investments are recorded as current investment income at the date of sale or maturity. Cash equivalents are stated at cost.

Property Taxes: Property taxes attach as an enforceable lien on January 1. They are normally levied in September (by passage of a Tax Levy Ordinance). Tax bills are prepared by the County and issued on or about February 1 and July 1 and are payable in two installments, on or about March 1 and August 1. The County collects such taxes and remits them periodically.

Fund Balance: Listed below are descriptions of fund balance classifications pursuant to GASB statement 54.

- a) **Nonspendable fund balance** is inherently nonspendable, such as portions of net resources that cannot be spent because of their form and portions of net resources that cannot be spent because they must be maintained intact.
- b) **Restricted fund balance** is externally enforceable limitations on use, such as limitations imposed by creditors, grantors, contributors, or laws and regulations of other government as well as limitations imposed by law through constitutional provision or enabling legislation. Restricted fund balances reported on the Village's Roosevelt Road Corridor TIF Fund Balance Sheet includes restricted property tax revenue.
- c) **Committed fund balance** has self-imposed limitations set in place prior to the end of the period. The limitations are imposed at the highest level of decision making that requires formal action at the same level to remove. Fund Balance of the Village may be committed for a specific source by passing of a Resolution by the Village Council. Amendments or modifications of the committed fund balance must be also by approved by passing of a Resolution by the Village Council.
- d) **Assigned fund balance** has limitations resulting from intended use consisting of amounts where the intended use is established by the Village Council designated for that purpose. The intended use is established by an official designated for that purpose. The Village has not designated anyone for this purpose. However, GASB 54 has outlined that fund balance outside of the general fund is to fall in this category if there is not a deficit fund balance for the fund.
- e) **Unassigned fund balance** is the total fund balance in the general fund in excess of nonspendable, restricted, committed, and assigned fund balance. In addition, if there is a deficit balance in another governmental fund, it will be reported as a negative amount in that fund's unassigned classification.

In circumstances where an expenditure is to be made for a purpose for which amounts are available in multiple fund balance classifications, the order in which resources will be expended is as follows: assigned fund balance will be spent first, followed by committed fund balance, and then restricted fund balance.

**NOTE 2 – CASH AND CASH EQUIVALENTS**

The carrying amount and bank balance of the Roosevelt Road Corridor TIF Fund was \$224,486 as of April 30, 2018. The bank balance was either insured by the Federal Deposit Insurance Corporation (FDIC) for \$250,000 or collateralized with securities of the U.S. government held in the Village's name by financial institutions acting as the Village's agent.

## INDEPENDENT ACCOUNTANT'S REPORT

To the Honorable Mayor  
and Commissioners  
Village of Forest Park, Illinois

We have examined the Village of Forest Park, Illinois', (Village's) compliance with the requirements of subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act for the year ended April 30, 2018 for the Roosevelt Road Corridor TIF Fund. Management is responsible for the Village's compliance with those requirements. Our responsibility is to express an opinion on the Village's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Village complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Village complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Village's compliance with specified requirements.

In our opinion, the Village complied, in all material respects, with the aforementioned requirements during the year ended April 30, 2018.
