Letter from the Mayor:

A Letter from Mayor Hoskins

Dear Friends and Neighbors,

Similar to past editions, the 2020 village calendar was developed with you in mind. As we considered what content we would send to the printer, our intention was to include important information (phone numbers and local regulations) and dates that are meaningful to residents of Forest Park. We began by including all federal and state holidays. Next, we contacted our partners at District 91 and the Park District of Forest Park. Our goal is always to keep you aware of important events taking place in Forest Park. We also made an effort to make our 2020 calendar more inclusive.

We noted many of the holidays and cultural traditions observed by residents from many of the ethnic and religious groups that make up our village's population. The idea of a more culturally inclusive calendar originated with the residents volunteering on our Diversity Committee. E Pluribus Unum.

During the year, as you tend to your affairs, don't be shy about contacting my office to discuss the calendar. I am very interested in learning more about the cultures of the ethnic groups who live in Forest Park. Even if the print version does not include your holiday or cultural tradition, please contact us so that we can include it on our web-based calendar (coming in 2020).

Respectfully yours,

Rory E. Hoskins, Mayor

Ps: Please participate in the 2020 Census and encourage your neighbors to do the same!

Abandoned Vehicles

Any vehicle in disrepair, parked in view, and not moved for seven days will be ticketed, and then towed. The owner will be cited.

All Forest Park residents must promptly register their vehicles with the Village by purchasing a vehicle sticker by April 1 of each year or upon moving into the Village. To purchase a sticker, visit Village Hall with proof of residency and the title or state registration for each vehicle.

The owner of any vehicle that is regularly housed or frequently parking in the Village must also purchase and display a vehicle sticker as outlined by Village ordinance. (6-2-1A2)

State

If you are new to Illinois, you must register your vehicles with the nearest Secretary of State vehicle service office, where you may also obtain an Illinois drivers license. To locate the nearest office, visit cyberdriveillinois.com or call (800) 252-8980.

Voter Registration

Residents may register to vote online at www.ova.elections.il.gov or at the Village Clerk’s office during regular business hours. Two forms of identification are required.

Garbage/Refuse/Yard Waste/Recycling

Regular Household Refuse

Large blue trash toters with lids are provided to each homeowner to dispose of household garbage. Trash pickup is on Thursdays throughout the entire Village. If you determine you need more than one blue trash toter for household waste, please call Republic Services at (708) 345-7050.

Bulk Items

Lids on trash toters must be closed. Large items that do not fit in the toters may be placed in the alley after 6 p.m. Wednesday for pickup Thursday, or you may call Republic Services at (708) 345-7050 for a special pickup.

Yard Waste

Place yard waste in brown bags or in 32 gallon garbage cans marked "YARD WASTE" or marked with a large red "X" for pickup Thursdays from April to November. "YARD WASTE" labels are available at Village Hall, free of charge. During the fall, tree leaves may be raked into the street near the curb for pickup during the week.

Recycling

Do not recycle plastic shopping bags. Large rolling recycling toters are available by calling Republic Services at (708) 345-7050. Recycling is picked up on Thursdays.

Tree Limbs

Brush and branches should be placed in the parkway (between the sidewalk and street) for pickup. The Forestry Department picks up branches every Friday. Harlem Avenue homeowners should call the village at (708) 366-2323 or email us at publicworks@forestpark.net or alley pickup.

6

The Forest Park Chamber of Commerce is dedicated to the continued growth and revitalization of Forest Park's business districts, as well as the enhancement of the quality of life for both residents and businesses. Organized since 1912, the Chamber operates under the leadership of a board of directors comprised of a group of local business people, civic leaders and community-minded individuals working together to promote business and a sense of community.

Located in the Forest Park National Bank at 7331 W. Roosevelt Road in Forest Park, the Chamber office provides information to new and prospective residents and businesses, and answers questions about Forest Park and member businesses.

Social events and programs held throughout the year include monthly luncheons, Wine Walk & Shop, St. Patrick's Day Parade, Holiday Walk, Annual Meeting/ Pride Awards, Çasket Races and Zombie Pub Crawl.

The Chamber also co-sponsors the annual Bob Haeger All School Picnic and holiday decorations on Madison Street, as well as the Forest Park Community Guide that is delivered to all residents and distributed throughout the year.

The Chamber monthly general meeting/luncheon is open to anyone wishing to attend. This is a networking event that is held at different locations every month for \$15 per person. For more information, or to find out the location, contact the Chamber.

Investment in the Forest Park Chamber of Commerce & Development partners you with a comprehensive group of member-businesses and residents who want to be involved, stay informed, and work together to cultivate a favorable environment in which business, government, and the community at-large can interact. Increased exposure, networking opportunities, referrals and the opportunity for active involvement are just some of the benefits of Chamber membership.

Zoning and Building Regulations

Title 9

Building permits are required before undertaking most construction projects in your home and on your property. Building permits ensure that the construction conforms to zoning and building codes. When you apply for a permit, please remember to provide a current Plat of Survey with all permit applications and your contractors' information.

To obtain building permits or to obtain additional information about these and related code concerns, visit Village Hall (517 Des Plaines Avenue), the Village website (forestpark.net) or phone the Department of Public Health and Safety at (708) 615-6276.

Remember, it is state law to call J.U.L.I.E. at 1-800-892-0123 or 811 48 hours before you excavate or dig. Visit illinois1call.com for more information.

Housing and Rental Regulations

Title 8

Residential properties are subject to the Village's Housing Code and Property Maintenance Standards. Among the various requirements that people should be aware of are the following:

- Landlords are required to provide 68°F heat to all rooms in a dwelling September 15 through May 1. (8-5-4B5)
- Maximum occupancy is based upon room sizes. A bedroom must be at least 70 square feet in size to be legally occupied. For more than one person to occupy a bedroom area, at least 50 square feet of floor space must be provided in a bedroom area per person. (8-5-6)

If you have specific questions about housing and/or property maintenance standards, visit or phone the Department of Public Health and Safety at (708) 615-6276, or go to the Village website at forestpark.net.

Home Based Business

The Village of Forest Park has zoning regulations for home-based businesses. If you intend to operate a business from your home, you should contact the Village Clerk's Office to make certain that your intended business activities are permitted. Additionally, an inspection of the premises is required prior to the granting or approval of any home-based business license.

PROPERTY MAINTENANCE STANDARDS

All buildings and properties in the Village of Forest Park must be maintained in good condition. If a violation is found or reported to the Department of Public Health and Safety, inspectors will make the property owner(s) aware of any code deficiencies. Time will be given in order to correct the noted problems. If corrective actions are not taken, the owner(s) will be issued citations.

Some of the frequently noted problems are:

- All properties must be maintained free from weeds or grass growth in excess of 10 inches.
- All garbage and refuse must be kept in covered garbage receptacles at all times.
- All exterior surfaces, including siding, gutters, downspouts, chimneys, windows, window frames and handrails shall be maintained in good condition. Rotten or decayed wood must be replaced. Peeling, flaking and chipped paint must be eliminated.
- All properties must display address numbers on both the street and alley side of the property. This helps emergency personnel locate your property as quickly as possible.

Forest Park Outdoor Regulations

Sprinkling regulations:

From May 15 to September 15, village ordinance requires that lawn sprinkling is permitted for residences with an odd numbered street address on odd numbered calendar days and those with an even numbered street address on even numbered calendar days before noon and after 6:00 PM only.

Outdoor grilling:

Charcoal grills must be placed on non-combustible surfaces at ground level and are not allowed on balconies. (5-2-11)

Yard waste reminder:

Place yard waste in brown bags or in garbage cans marked “yard waste” or marked with a large red “X” for alley pickup Thursday mornings from April to November. Refrain from raking grass clippings into street, as debris will clog sewer drains.

Garage Sales: (3-5-1A)

Garage, yard, and estate sales are regulated, and a permit must be obtained from Village Hall before the sale. Permits for garage and yard sales are \$10. Permits for estate sales are \$25. (Yard sales in back yard only).

Garage sale signs must be located entirely on the premises where the sale is to be conducted. Any signs placed illegally or on public rights-of-way will be removed and citations issued.

Forest Park Fire Department

(708) 366-1234

Fire Safety Tips

18

Candle Safety:

- * Never leave burning candles unattended. Extinguish all candles before going to sleep or leaving the room.
- * Keep candles at least three feet from anything that can burn.
- * Place candles where they will not be knocked down or blown over and out of reach of pets and young children.

Smoke Detectors:

- * Install smoke detectors on every level of your home and inside all sleeping areas.
- * Test every detector at least once a month. [See owner's manual for location of the test button.]
- * Keep smoke detectors dust free. Replace batteries with new ones twice a year or sooner if the detector makes a chirping sound. Change batteries when you change your clocks (March 8th & November 1st).
- * Never disable or remove smoke detector batteries.

Fire Extinguishers:

- * Fire extinguishers should be mounted in the kitchen, garage, and workshop.
- * Purchase an ABC type extinguisher for extinguishing all types of fires.
- * Learn how to use your fire extinguisher before there is an emergency.
- * Remember, use an extinguisher on small fires only. If there is a large fire, get out immediately and call 911 from another location.

A Reminder About Fireworks:

- * Most fireworks are illegal to purchase or detonate in Illinois.
- * Sparklers and small legal explosives should be used with care.

Furnace/Space Heaters:

- * Install and maintain heating equipment correctly. Have your furnace inspected by a professional prior to the start of every heating season.
- * Don't store newspapers, rags, or other combustible materials near a furnace, water heater, space heater, etc.
- * Don't leave space heaters operating when you're not in the room.
- * Keep space heaters at least three feet away from anything that might burn, including the wall.
- * Don't use extension cords with electric space heaters. The high amount of current they require could melt the cord and start a fire.

Fall In Forest Park

Leaf Pickup

Clean, loose, unbagged leaves can be raked into the street and will be picked up throughout the week during the fall only. No garden material is to be raked into the street. Call the Clerk's office at (708) 366-2323 for your area's pickup day.

Safety Tip

Parking over dry leaves can be very dangerous. Car fires are common when heat from engines or exhaust components ignite piles of leaves under cars.

Snow Removal and Parking

Forest Park's snow removal policy is as follows: Snow will be plowed and roads salted first on the main streets, such as Circle Avenue, Madison Street and Jackson Boulevard immediately following a snowfall. After those streets have been cleared, less-used residential streets will be plowed and/or salted. After all streets have been cleared, each alley will be plowed once (only once to avoid plowing-in parked vehicles) and sidewalks throughout the Village will be cleared. Watch for posted signage to move your vehicle from municipal parking lots for snow clearance.

Remove your vehicle from the street after a snowfall to facilitate snow removal. If you must park on the street, park on the side opposite the street light poles. The side of the street with light poles is generally designated as the snow emergency lane and must not be blocked. Cars will be ticketed and towed if parked in an emergency lane following a snowfall. Refer to signs if in doubt.

Christmas Tree Disposal

Discarded Christmas trees may be placed on the parkway (the grassy area between the sidewalk and street) for pickup. Please make sure tree is free from all lights and decorations. There are no specific dates or days of the week designated for pickup. Please do not put trees in plastic bags.

Please use caution with live trees indoors. The trees can become dry and pose a fire hazard.

Be especially careful of pets or small children because they can accidentally unplug holiday lights, causing a spark that could set the tree on fire. Do not use a flame near trees.
