Public Discourse Concerning Police Department's "Use of Force" Policies

Dear Neighbors,

In response to the recent public discourse concerning police departments and their "Use of Force" policies, the Village of Forest Park will host a town hall style discussion on policing. The town hall meeting will take place next Thursday evening, July 9, 2020, from 6:00-8:00 pm. This meeting is intended to provide an opportunity for residents to learn about our police department's policies, and to ask questions about the policies. You will hear from Chief Tom Aftanas, Deputy Chief Ken Gross and other police department supervisors.

Due to Covid-19 concerns, masks or face coverings will be required. Weather permitting, the discussion will take place outdoors in the parking area directly in front of Village Hall where it is possible to maintain social distancing.

We are looking forward to hearing from you.
