Frequently Asked Questions

Q: Do I need to show a photo ID to be tested at an IDPH mobile testing site?
A: No, individuals seeking to be tested do not need a photo ID.

Q: Do I need to provide a Social Security Number in order to be tested at an IDPH mobile testing site?
A: No, individuals seeking to be tested will not be asked to provide a Social Security Number.

Q: Is testing only for Illinois residents at IDPH mobile testing sites?
A: No, IDPH mobile testing is open to anyone regardless of state residency.

Q: What kind of test is being used at the IDPH mobile testing sites?
A: These sites use an “anterior nares” swab to collect a sample from the nose of the patient. This swab is a smaller, less invasive swab and only requires swabbing no more than 2 inches into the nostril. Once a specimen is collected it is shipped to a lab to be run on a polymerase chain reaction (PCR) testing machine which makes it possible to detect COVID-19 with a very high degree of accuracy.

Q: How much does the test cost at IDPH mobile testing sites?
A: There is no cost. For individuals with insurance, insurance should cover the cost of the test. For the uninsured or if insurance does not cover the cost of the test, the state of Illinois will cover the cost of the test.

Q: Do I need to be sick or exhibiting symptoms to be tested?
A: No, you do not need to be sick or exhibiting symptoms in order to be tested.
