

A FOREST PARK BANK TRADITION
AND A CONTINUED COMMITMENT TO COMMUNITY.

FOREST PARK BANK

SHRED IT AND FORGET IT!

Saturday, September 10, 2022 from 8:00 am to 12:00 noon

Forest Park Bank, the locally owned and managed community bank, is pleased to continue the tradition of sponsoring the Annual **FREE** Sensitive Document Shredding Event in the Municipal Parking Lot located south of the Drive-Up Facility. The Bank has, again, engaged a professional shredding service to shred your sensitive documents with an industrial shredder.

Forest Park Bank and Forest Park Police Department personnel will be on site to discuss identity security issues, including ways to protect your identity and what to do if you become a victim of identity theft or financial scams.

You may bring up to two 12" X 12" X 18" boxes of documents to be shredded at no charge. Three-ring notebooks and binders with large metal rings cannot be shredded. Staples are allowed. If you have questions about this event, please contact the bank at 708.222.2800.
