AGENDA MEMO

Village Council Meeting

Forest Park, Illinois

March 13, 2023

Issue Statement

Request for Village Council Action: Resolution Approving the Specifications and Authorizing the Advertising of Bids for the Village of Forest Park 2023 Alley Improvements Project (900 Block Dunlop-Lathrop; 1100 Block Circle-Marengo)

Background

The 2023 Village Infrastructure Improvements Program includes the reconstruction of the two above referenced alleys utilizing conventional construction – the alleys will be reconstructed in their entirety using concrete.

The estimated cost of this project, including engineering, amounts to \$546,000 - \$346,000 from the VIP Fund and \$170,000 from the Water/Sewer Fund.

Upon the Village Council's adoption of said Resolution, the bid process will commence immediately. The Village Administrator will discuss the Village's transition to an on-line bidding process starting with this project at the March 13, 2023 Village Council Meeting.

Attachments

- The above referenced Resolution, along with project specifications;
- Project map. Please note that the alleys along the 800 and 900 blocks of Circle-Marengo are planned for 2024, utilizing green (permeable paver) construction elements; and,
- Village alley atlas map, last updated in early 2023. One will note that all alleys south of Roosevelt have been reconstructed as well as almost all (3 are left) alleys north of I-290. In the coming year(s), focus will be given to those alleys between Harrison and Roosevelt – unless safety/deterioration conditions warrant otherwise.

AGENDA MEMO

Village Council Meeting

Forest Park, Illinois

March 13, 2023

Issue Statement

Request for Village Council Action: Resolution Approving the Specifications and Authorizing the Advertising of Bids for the Village of Forest Park 2023 Watermain and Resurfacing Project (Wilcox Street and Ferdinand Avenue)

Background

The 2023 Village Infrastructure Improvements Program includes the replacement of watermain on Wilcox and Ferdinand. With respect to Ferdinand, the watermain on said roadway will be replaced between Harvard and Roosevelt; all lead water services along this stretch will be replaced with new copper services from the main to the one's water meter. North of Harvard on Ferdinand, any existing lead water service between one's water meter and buffalo box will also be replaced with a new copper service. Once this work is complete, the entire length of Ferdinand, between Harrison and Roosevelt, will be resurfaced. Similar to recent infrastructure projects in the Village, all sewers along this corridor will be audited, ensuring that no clogs or imminent failures are present, prior to the roadway getting resurfaced. Also, staff/consulting engineers will also audit all sidewalk and corner ramp areas and will perform replacements where warranted in these areas.

On Wilcox (between Des Plaines and the railroad tracks), the existing 4" water main will be replaced as well as all lead water service lines from the main to one's water meter. Sewer, sidewalk and roadway improvements will also take place on said roadway, similar to Ferdinand.

The estimated cost of this project, including engineering, amounts to \$2.985M - \$933,000 from Rebuild Illinois Bond monies and \$2.052M from the Water/Sewer Fund.

Upon the Village Council's adoption of said Resolution, the bid process will commence immediately. The Village Administrator will discuss the Village's transition to an on-line bidding process starting with this project (along with the alley project) at the March 13, 2023 Village Council Meeting.

Also, it shall be noted that it is quite possible that the watermain work, on both roadways, may be bid separately from the roadway improvements. The reason for this is because the Village is coordinating the watermain installations/replacements with the Illinois Department of Transportation's Des Plaines and Roosevelt Road resurfacing projects. Since these projects are all scheduled for this year, the Village wants to avoid the need to tear up newly installed asphalt pavements along Des Plaines and Roosevelt. For this reason, the watermain replacements should commence as soon as possible. Use of Illinois Rebuild Monies, which the Village has already received, also needs approval from IDOT. Since these monies will cover the roadway portion of the project, and may take weeks for IDOT to approve use of same, the watermain work is able to commence sooner since local (non-State) monies are being used for this improvement.

MEMORANDUM

To: Village of Forest Park

From: Edelson PC

Re: National Opioid Settlements - Teva/Allergan/Walgreens/Walmart/CVS

Date: March 3, 2023

This memo provides an overview of the national opioid settlements recently reached with several opioid manufacturers and pharmacies, including Teva, Allergan, CVS, Walmart, and Walgreens.

Action item: Your municipality has an opportunity to join these settlements and is eligible to receive funds, and has until **April 18, 2023** to opt in. Please ensure that your municipality has time over the next month to approve opting into the settlements. More details about the settlements and next steps are below.

I. Settlement Overview

The newest round of national opioid settlements was formally announced to subdivisions in February 2023 and total over \$20 billion to resolve opioid litigation brought by states and local subdivisions. The settlements include payments from the following opioid manufacturers and pharmacies:

1. Walgreens to pay up to \$5.7 billion over 15 years;
2. Walmart to pay up to \$2.75 billion over 6 years;
3. CVS to pay up to \$5 billion over 10 years;
4. Teva to pay up to \$4.25 billion over 13 years; and
5. Allergan to pay up to \$2.37 billion over 7 years.

The new settlements are substantially similar in many respects to the prior opioid settlement agreements, which your municipality opted into in 2022, with the “Big Three Distributors” (McKesson Corp., Cardinal Health, Inc., and AmerisourceBergen Cop.), and Johnson & Johnson’s subsidiary Janssen (“J&J”).¹ As with the prior settlements, monies will be distributed pursuant to the terms of the Illinois Opioid Allocation Agreement, explained in more detail below.

¹ Payments under the Janssen and Distributor settlements are currently underway with subdivisions receiving payments directly via wire or check. Payments from the Distributor settlements will continue over the next 16 years, but are likely to be accelerated.

The entities eligible to participate in settlements include participating States and their local governmental entities, referred to as “Subdivisions,” which include counties, municipalities, townships, and school districts. The settlement is designed to encourage full participation by States and Subdivisions in order to achieve “global peace” and avoid future litigation. The subdivisions eligible to receive direct distributions from any settlement funds are found in Exhibits A-1 and A-2 to the Illinois agreement; and include (i) all Illinois counties, (ii) all litigating municipalities and, (iii) non-litigating municipalities with populations over 30,000 or local subdivisions with a population between 10,000 to 30,000 which sued one of the Distributors or J&J, but not one of the named defendants in the settlements, including Teva, Allergan, Walmart, Walgreens, or CVS).

Your municipality named Teva and Allergan as defendants and are thus eligible to receive direct funds from those settlements. Because your municipality is also a prior litigating subdivision against the Distributor defendants and J&J and are listed on A-2 of the Illinois Allocation agreement, you are also eligible to receive funds from the Walmart, Walgreens, and CVS settlements. Illinois has not yet announced how much the state is set to receive from each of the settlements, so it is currently too early to project at this time what your municipality may receive.² We will follow up with allocation amounts as soon as they are made available.

II. Recommendation & Next Steps

Based on information to date, we believe the Village of Forest Park should participate in the settlements. We believe these settlements represent the best solution under the circumstances and considering the risks of pursuing separate litigation against these defendants.

For municipalities that choose not participate, Judge Polster has mandated that Subdivisions would have to produce a broad swath of financial data and other records to support its claims and damages within an extremely limited timeframe. In addition, Illinois has passed legislation specifically dealing with national opioid settlements, which (i) bars subdivisions from pursuing opioid claims against a defendant subject to a national opioid settlement unless approved of by the Attorney General, and (ii) gives the Attorney General the power to intervene in cases to dismiss any opioid claims against defendants subject to multistate settlements like the ones proposed here. *See* 735 ILCS 5/13-226. Specifically, this means that if your Subdivision elected not participate in the settlement, there is a serious risk that your case could not proceed in litigation, which would leave the Village with nothing. We believe this counsels strongly in favor of accepting the settlement.

As far as next steps, the settlements require that the Village of Forest Park take affirmative steps to “opt in” and participate in the settlements by **April 18, 2023**.³

² Under the Illinois Allocation agreement, 15% of the State’s total recovery is divvied up among subdivisions.

³ Participation agreements were released on Friday, February 15, 2023 meaning that subdivisions may now officially opt in to the settlements.

National Opioid Settlements: Teva, Allergan, CVS, Walgreens, and Walmart

Forest Park village, IL

Reference Number: CL-384249

***TO LOCAL POLITICAL SUBDIVISIONS AND SPECIAL DISTRICTS:
THIS NOTICE CONTAINS IMPORTANT INFORMATION ABOUT NATIONAL OPIOID SETTLEMENTS.***

SETTLEMENT OVERVIEW

Proposed nationwide settlement agreements (“Settlements”) have been reached that would resolve opioid litigation brought by states, local political subdivisions, and special districts against two pharmaceutical manufacturers, Teva and Allergan (“Manufacturers”), and three pharmacies, CVS, Walgreens, and Walmart (“Pharmacies”). Local political subdivisions and special districts are referred to as “subdivisions.”

The Settlements require the settling Manufacturers and Pharmacies to pay billions of dollars to abate the opioid epidemic. The Settlements total over \$20 billion. Of this amount, approximately \$17 billion will be used by participating states and subdivisions to remediate and abate the impacts of the opioid crisis. Depending on participation by states and subdivisions, the Settlements require:

- Teva to pay up to \$3.34 billion over 13 years and to provide either \$1.2 billion of its generic version of the drug Narcan over 10 years or an agreed upon cash equivalent over 13 years;
- Allergan to pay up to \$2.02 billion over 7 years;
- CVS to pay up to \$4.90 billion over 10 years;
- Walgreens to pay up to \$5.52 billion over 15 years; and
- Walmart to pay up to \$2.74 billion in 2023, and all payments to be made within 6 years.

As provided under the Agreements, these figures are net of amounts attributable to prior settlements between the Defendants and certain states/subdivisions, and include amounts for attorneys’ fees and costs.

The Settlements also contain injunctive relief governing opioid marketing, sale, distribution, and/or dispensing practices.

Each of the proposed settlements has two key participation steps.

First, each eligible state decides whether to participate in each Settlement. A list of participating states for each settlement can be found at <https://nationalopioidsettlement.com>.

Second, eligible subdivisions within each participating state decide whether to participate in each Settlement. The more subdivisions that participate, the more funds flow to that state and its subdivisions. Any subdivision that does not participate cannot directly share in any of the settlement funds, even if the subdivision’s state is settling and other participating subdivisions are sharing in settlement funds. If the state does not participate in a particular Settlement, the subdivisions in that state are not eligible to participate in that Settlement.

WHO IS RUBRIS INC. AND WHAT IS THE IMPLEMENTATION ADMINISTRATOR?

The Settlements provide that an Implementation Administrator will provide notice and manage the collection of participation forms. Rubris Inc. is the Implementation Administrator for these new Settlements and was also retained for the 2021 national opioid settlements.

WHY IS YOUR SUBDIVISION RECEIVING THIS NOTICE?

Your state has elected to participate in one or more of the Settlements with the Manufacturers and/or the Pharmacies, and your subdivision may participate in those Settlements in which your state has elected to participate. This notice is also sent directly to counsel for such subdivisions if the Implementation Administrator has their information.

If you are represented by an attorney with respect to opioid claims, please contact them. **Subdivisions can participate in the Settlements whether or not they filed a lawsuit or are represented.**

WHERE CAN YOU FIND MORE INFORMATION?

Detailed information about the Settlements, including each settlement agreement, may be found at: <https://nationalopioidsettlement.com>. This website also includes information about how the Settlements are being implemented in most states and how funds will be allocated within your state.

You are encouraged to review the settlement agreement terms and discuss the terms and benefits with your counsel, your Attorney General's Office, and other contacts within your state. Information and documents regarding the Settlements and your state allocation can be found on the settlement website at <https://nationalopioidsettlement.com>.

Your subdivision will need to decide whether to participate in the proposed Settlements, and subdivisions are encouraged to work through this process before the **April 18, 2023** deadline.

HOW DO YOU PARTICIPATE IN THE SETTLEMENTS?

The Settlements require that you take affirmative steps to "opt in" to the Settlements.

In the next few weeks, you will receive documentation and instructions from the Implementation Administrator or, in some cases, your Attorney General's Office. In order to participate in a settlement, a subdivision must sign and return the required Participation Form for that settlement.

Please add the following email addresses to your "safe" list so emails do not go to spam / junk folders: dse_na3@docusign.net and opioidsparticipation@rubris.com. Please monitor your email for the Participation Forms and instructions.

All required documentation must be signed and returned on or before **April 18, 2023**.

Forest Park village, IL
Reference Number: CL-384249

TO LOCAL POLITICAL SUBDIVISIONS AND SPECIAL DISTRICTS:

THIS PACKAGE CONTAINS DOCUMENTATION TO PARTICIPATE IN THE NEW NATIONAL OPIOID SETTLEMENTS. YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE.

Deadline: April 18, 2023

Five new proposed national opioid settlements ("*New National Opioid Settlements*") have been reached with **Teva, Allergan, CVS, Walgreens, and Walmart** ("*Settling Defendants*"). This *Participation Package* is a follow-up communication to the *Notice of National Opioid Settlements* recently received electronically by your subdivision or special district ("*subdivision*").

You are receiving this *Participation Package* because Illinois is participating in the following settlements:

- **Teva**
- **Allergan**
- **CVS**
- **Walgreens**
- **Walmart**

If a state does not participate in a particular Settlement, the subdivisions in that state are not eligible to participate in that Settlement.

This electronic envelope contains:

- *Participation Forms* for Teva, Allergan, CVS, Walgreens, and Walmart, including a release of any claims.
- The Illinois Opioid Allocation Agreement

The *Participation Form* for each settlement must be executed, without alteration, and submitted on or before April 18, 2023, in order for your subdivision to be considered for initial participation calculations and payment eligibility.

Based upon subdivision participation forms received on or before April 18th, the subdivision participation rate will be used to determine whether participation for each deal is sufficient for the settlement to move forward and whether a state earns its maximum potential payment under the settlement. If the settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

You are encouraged to discuss the terms and benefits of the *New National Opioid Settlements* with your counsel, your Attorney General's Office, and other contacts within your state.

Monies coming to Illinois from the New National Opioid Settlements will be allocated in accordance with the Illinois Opioid Allocation Agreement, a copy of which is included with this packet for your reference. As stated above, even if your subdivision is listed in the Allocation Agreement as one eligible to receive a direct share of opioid settlement monies, you still must sign each of the Participation Forms for these five settlements in order to receive a direct distribution under each of the settlements. Additionally, please note that pursuant to Paragraphs 2.B and 2.C of the Illinois Opioid Allocation Agreement, when notified by the Illinois Attorney General that Illinois has reached a settlement with one or more Opioid Defendants, participating local governments shall release their claims against such Opioid Defendant(s).

Information and documents regarding the *New National Opioid Settlements* can be found on the national settlement website at <https://nationalopioidsettlement.com/>. This website will be supplemented as additional documents are created.

How to return signed forms:

There are three methods for returning the executed *Participation Forms* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Participation Forms* electronically through DocuSign will return the signed forms to the Implementation Administrator and associate your forms with your subdivision's records. Electronic signature is the most efficient method for returning *Participation Forms*, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.
- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning manually signed *Participation Forms* via DocuSign will associate your signed forms with your subdivision's records.

(3) *Manual Signature returned via electronic mail:* If your subdivision is unable to return executed *Participation Forms* using DocuSign, signed *Participation Forms* may be returned via electronic mail to opioidsparticipation@rubris.com. Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line Settlement Participation Forms – [Subdivision Name, Subdivision State] – [Reference ID].

Detailed instructions on how to sign and return the *Participation Forms*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com>. You may also contact opioidsparticipation@rubris.com.

The sign-on period for subdivisions ends on April 18, 2023.

If you have any questions about executing these forms, please contact your counsel, the Implementation Administrator at opioidsparticipation@rubris.com, or the Illinois Attorney General's Office at opioidsettlement@ilag.gov.

Thank you,

National Opioids Settlements Implementation Administrator

The Implementation Administrator is retained to provide the settlement notice required by the respective settlement agreements referenced above and to manage the collection of settlement participation forms for each settlement.

 - (ii) In addition to any amounts remaining following the allocation in paragraph 3(A)(b)(i) of this agreement, Ten percent (10%) shall be distributed into the LG Recovery Fund to be allocated among counties who are PLGs in accordance with the procedures set forth in Exhibit A-2 of this Agreement. Counties who receive an

allocation from this portion of the LG Recovery Fund are obligated to use such distributions to support opioid remediation programs in their community through uses included in the list of Approved Abatement Programs attached as Exhibit B. Each LG receiving an allocation from this portion of the LG Recovery Fund shall track and quarterly report to the Attorney General all monies spent to support opioid remediation programs.

- c. Fifty-Five Percent (55%) shall be distributed into the Illinois Remediation Fund. A Remediation Fund Advisory Board shall be appointed to provide nonbinding recommendations regarding the administration and distribution of the Illinois Remediation Fund. The Remediation Fund Advisory Board, when making recommendations, will seek to ensure an equitable allocation of resources to all parts of the state, taking into consideration population as well as other factors relevant to opioid abatement, including rates of Opioid Use Disorder, Overdose Deaths, and amounts of opioids shipped into each region as measured in Morphine Milligram Equivalents. All funds disbursed from the Remediation Fund shall go to support uses included in the list of Approved Abatement Programs attached as Exhibit B. In addition, funds disbursed from the Remediation Fund shall go to support abatement uses that provide services in each of the seven regions identified in Exhibit C, with the allocation of resources being equitable across regions, taking into consideration population as well as other factors relevant to opioid abatement, including rates of Opioid Use Disorder, Overdose Deaths, and amounts of opioids shipped into each region as measured in Morphine Milligram Equivalents. The Attorney General or his delegate shall appoint the members of the Remediation Fund Advisory Board at his sole discretion, provided that at least one half (1/2) of the voting members of the Advisory Board shall be representatives of the PLGs as determined by the PLGs.
- B. Any sums collected related to Opioid Litigation by a PLG from any Opioid Defendant by way of judgment or settlement shall be turned over to the Attorney General for distribution pursuant to this Section 3.
- C. Funds allocated to LGs or LPLG-Counsel under Exhibit R (Agreement on Attorney's Fees, Expenses, & Costs) of the Distributor Settlement Agreement and the Janssen Settlement Agreement, or to the State under Exhibit N (Additional Restitution Amount) or Exhibit T (Agreement on the State Cost Fund Administration) of those settlement agreements shall be in addition to the allocations set forth in paragraph 3 of this Agreement and are not subject to the allocations in this Agreement. Funds allocated pursuant to provisions which are substantially similar in any subsequent settlement shall not be subject to the allocations in this Agreement.

4. Miscellaneous

- A. Each PLG agrees to take all necessary actions and to cooperate with each other to cause this Agreement to become effective, to obtain all necessary approvals, consents, and authorizations, if any, and to execute all documents, including any necessary sign-on forms

that may be required in connection with any National Multistate Opioid Settlement, and to take such other action as may be appropriate in connection herewith.

- B. This Agreement may be executed in counterparts, each of which shall constitute one and the same document. The Parties acknowledge that facsimile or electronically transmitted signatures shall be valid for all purposes.
- C. The State of Illinois shall not be responsible for any attorney's fees or expenses payable by an LG to LPLG-Counsel or any other legal counsel and payment of all attorney's fees and expenses to LPLG-Counsel or any other legal counsel shall be made in accordance with the provisions of Exhibit A (the Administration of the LG Recovery Fund) and Exhibit A-3 (the Back-Stop Agreement).
- D. This Agreement shall be enforceable only upon execution by the Attorney General.
- E. All expenditures made by the State or LGs from funds allocated under this Agreement must comply with the provisions of applicable Settlement Agreements.
- F. Other provisions of this Agreement notwithstanding, all funds received from *In Re: Purdue Pharma L.P., et al., 19-23649 (RDD)*, shall be used only for permissible abatement purposes.
- G. This Agreement shall be considered an "intrastate allocation agreement" as that term is used in 735 ILCS 5/13-226(b)(2) and (d).
- H. This Agreement shall be considered a "Statewide Abatement Agreement" for purposes of *In Re: Purdue Pharma, L.P., et al., 19-23649*, and a "State-Subdivision Agreement" for purposes of the Distributor and Janssen Settlement Agreements.
- I. Backstop Agreement
 - a. An LPLG, in accordance with paragraph D in Exhibit A relating to Administration of the LG Recovery Fund, may separately agree to use its share of the LG Recovery Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Backstop Agreement") so long as such contingency fees do not exceed a total contingency fee of 25% of the total gross recovery of the PLG, inclusive of contingency fees from any Multistate Attorney Contingency Fee Fund and the State Backstop Agreement.
 - b. Before seeking fees or litigation costs and expenses from a State Backstop Agreement, private counsel representing a LPLG must first seek contingency fees and costs from any Attorney Contingency Fee Fund or Cost Funds created under a National Opioid Multistate Settlement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.
 - c. To effectuate a State Backstop Agreement pursuant to this section, an agreement in the form of Exhibit A-3 may be entered into by a LPLG, private counsel, and the Attorney General. The Attorney General shall, upon the request of a LPLG, execute any

agreement executed by a LPLG and its private counsel if it is in the form of Exhibit A-3. For the avoidance of doubt, this section does not require a LPLG to request or enter into a State Backstop Agreement, and no State Backstop Agreement shall impose any duty or obligation on the State of Illinois or any of its agencies or officers, including without limitation the Attorney General.

IN WITNESS WHEREOF, the Parties have executed this Agreement by their representatives as of the dates set forth below

EXHIBIT A TO ILLINOIS OPIOID ALLOCATION AGREEMENT

ADMINISTRATION OF THE LG RECOVERY FUND

Each Original-PLG who executed the Illinois Opioid Allocation Agreement and any Subsequent-PLG who executed the Joinder to the Illinois Opioid Allocation Agreement acknowledges and agrees that all sums deposited by the Attorney General into the LG Recovery Fund shall be administered as follows:

- A. A Special Master shall be nominated by the majority of PLG votes, with each County PLG with a population of ten thousand or more residents and each other PLG with a population of thirty thousand or more residents receiving one vote for each ten thousand residents within its jurisdictional borders based upon the 2019 United States Census Population Estimate. The Special Master shall be nominated within sixty (60) days of the initial funding of the LG Recovery Fund. The person so nominated shall not be appointed Special Master unless he or she receives the written approval of the Attorney General. If the Attorney General does not approve the nomination, then the process shall repeat and the PLGs shall nominate another person to be Special Master, until a nomination is approved by the Attorney General. Such subsequent nomination shall occur within 30 days of the Attorney General declining to give written approval of the initially nominated Special Master.
- B. All costs associated with the work of the Special Master shall be paid from funds in the LG Recovery Fund prior to any distribution to counties that are PLGs or their counsel.
- C. The Special Master shall direct the Settlement Administrator and administer the LG Recovery Fund to ensure that all distributions from the LG Recovery Fund to PLGs shall be made in accordance with the relative percentages set forth in Exhibit A-1 and Exhibit A-2, except that any distribution to any county who is a Non-Participating Local Governmental Unit (the "NP-LGs") shall be discounted by two-fifths (2/5) and such discounted amount shall be added to the pool of distributions payable to the Participating Local Governmental Units (the "PLGs") in accordance with the same percentages set forth in Exhibit A-2.
- D. For any National Opioid Multistate Settlement with an Opioid Defendant, each such LPLG authorizes and agrees that the Special Master shall direct the Settlement Administrator to pay their LPLG-Counsel from its individual distributions from the LG Recovery Fund in accordance with the fee agreements entered into between the LPLG and LPLG-Counsel.
- E. For any National Opioid Multistate Settlement for which the Attorney General requests PLGs release their claims, the Special Master shall have the discretion to assess common benefit attorneys' fees against distributions made to any county which is a PLG and which is not represented by LPLG-Counsel, provided any such common benefit attorneys' fees, if any, shall be assessed on no more than forty percent (40.0%) of the total distribution made to any county PLG not represented by LPLG-Counsel, and under no circumstances shall the common benefit fee assessed by the Special Master exceed 25%. The Special Master shall be given broad discretion to assess and apportion common benefit attorneys' fees and, absent fraud or gross misconduct, the decisions of the Special Master shall be final, binding, and not appealable. For the avoidance of doubt, nothing in this section requires the recovery by LPLG-Counsel of money in excess of their fee agreements if LPLG-Counsel receive payments from a national attorneys' fees fund or otherwise not directly from the LG Recovery Fund. In the event that a common benefit fee is assessed against a county PLG not represented by LPLG-

Counsel, the Special Master is directed to notify the Settlement Administrator of any such assessment.

EXHIBIT A-3 TO ILLINOIS OPIOID ALLOCATION AGREEMENT**BACK-STOP AGREEMENT**

At the request of [LPLG], the [LPLG], its counsel [COUNSEL], and the Attorney General are entering into this Backstop Agreement (Backstop Agreement).

The Parties acknowledge that this Agreement will apply to all National Multistate Opioid Settlement agreements which establish a multistate fund for the payment of attorney's fees and expenses (a "Multistate Contingency Fee Fund") but that payments to LPLG-Counsel from such funds will not be sufficient to pay the entirety of the fees and expenses incurred by contingency-fee counsel who have been retained by LPLGs. Therefore, consistent with Exhibit R, section I(R) of the National Multistate Opioid Settlement agreement entered into between three pharmaceutical distributors, namely, McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (the "Distributor Settlement Agreement"), the Parties agree to this Backstop Agreement.

Pursuant to this Backstop Agreement, [LPLG] may, subject to the limitations of any National Multistate Opioid Settlement, as well as any other limitations imposed by law, use funds that it receives from a National Multistate Opioid Settlement to pay a contingent fee to [COUNSEL]. Any such payment from [LPLG] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the Multistate Contingency Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 25%] of the total gross recovery of [LPLG] from the LG Recovery Fund in a National Multistate Opioid Settlement.

[COUNSEL] certify that they first sought fees and costs from the Multistate Contingency Fee Fund before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this Backstop Agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Backstop Agreement" in Exhibit R of the Distributor Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the Attorney General nor the State of Illinois have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [LPLG], [COUNSEL], or any other party.

JOINDER AGREEMENT

Reference is made to that Agreement attached hereto as **Exhibit 1** to this Joinder Agreement between the People of the State of Illinois and the Original-PLGs, namely: Cook County; DuPage County; Kane County; Madison County; McHenry County; Lake County; St. Clair County; Will County; and Winnebago County (the "Illinois Opioid Allocation Agreement").

WHEREAS, the State of Illinois and the Original-PLGs entered into the Illinois Opioid Allocation Agreement to pursue their common interests and to maximize the benefits obtained for their constituents with respect to their claims against the persons and entities responsible for the opioid crisis which has ravaged Illinois communities.

WHEREAS, Illinois and the Original-PLGs have agreed to allow additional counties and municipalities to join and participate in the Illinois Opioid Allocation Agreement (such additional counties and municipalities are referred to as "Subsequent-PLGs" in the Illinois Opioid Allocation Agreement) by executing this Joinder to the Illinois Opioid Allocation Agreement and thereby become a Participating Local Government (a "PLG" as defined in the Illinois Opioid Allocation Agreement) entitled to share in the expected benefits to be derived therefrom.

NOW THEREFORE, the undersigned municipality/county hereby agrees to become a party to and be bound by and subject to the terms and conditions of the Illinois Opioid Allocation Agreement as well as to the terms and conditions of the Exhibits attached thereto which govern the administration and distribution of the LG Recovery Fund, as defined in the Illinois Opioid Allocation Agreement, amongst Illinois counties and municipalities ("LGs" as defined in the Illinois Opioid Allocation Agreement).

Time: 11:30-12:15 with flag-raising at 12 noon.

Event contact: Marjorie Adam Clark, 708 466 2795 marjorie.e.adam@gmail.com

In celebration of Juneteenth 2023, we request permission to host our 3rd annual Juneteenth Flag-Raising Ceremony in the parking lot at Forest Park Village Hall. We would like to raise the Juneteenth flag on the outdoor Village Hall flagpole. We request that the Juneteenth flag be hung from June 5, 2023, to July 4, 2023. The purpose of having the Juneteenth flag hang at Village Hall until July 4 is to reflect our community's common bond of freedom.

Additionally, we ask that the parking lot be empty of cars prior and during the event because we will be setting up the staging near the exit of the parking lot. Next, like the previous years, we will need your help with securing a stage, tents, sound, and chairs. We truly appreciate the Village's continued support of diversity in Forest Park! We thank you in advance for your support.

Kind regards,

Marjorie Adam Clark

In the event the Host cancels this Dave & Buster's Special Event Contract (the "Agreement") prior to the initial arrival date of the event, Dave & Buster's will necessarily incur damages including, but not limited to, turning away other group events and the ancillary revenue associated with those events. Notwithstanding any other provisions of this Agreement, the Host shall have the right to cancel this Agreement, without cause, upon written notification to Dave & Buster's at any time prior to the event and upon payment of the amount expressed below:

Such payment shall be made by certified check or credit card and shall accompany notice from the Host to cancel this agreement. Any attempt to cancel without the inclusion of payment, as set forth above, shall be invalid.

CANCELLATION ON BEHALF OF DAVE & BUSTER'S

Dave & Buster's reserves the right to cancel any event at its facility upon a determination, in Dave & Buster's sole discretion, that (i) the event violates the Restrictions set forth in the foregoing paragraph, (ii) the Host misrepresented the event in any way (to Dave & Buster's or any other party) or (iii) the event would be harmful to Dave & Buster's and/or its guests. In the event of such cancellation, Dave & Buster's will refund all prepaid deposits in full for cancelled event in question.

These restrictions include the following: guests under the age of 21 (legal drinking age) are not allowed to consume alcohol under any circumstances; guests under the minimum age as determined by each location must be accompanied by a parent or guardian, generally defined as a person 25 years of age or older, who agrees to be responsible for the conduct and safety of the underage guest; each parent or guardian can accompany a maximum number of underage guests determined by each location; and underage guests must remain with their parent or guardian at all times. (Please note that at our Milpitas and Ontario, CA locations, all guests under the age of 21 must be accompanied by a parent or guardian who is 30 years of age or older and must leave the facility no later than 11:00pm; and at various locations guests under the age of 21 must be accompanied by a parent or guardian who is 25 years of age or older and must leave the facility no later than 10:00pm) Check with your location for details. VALID I.D. REQUIRED: Dave & Buster's requires identification for all guests under 25 years.

FOOD AND BEVERAGE

Host understands that consuming raw and undercooked meats, poultry, fish/shellfish or eggs may increase the risk of foodborne illness, especially if a guest has certain medical conditions. Any food remaining at the conclusion of the event may be taken off premises. Host acknowledges that the handling and storage of any leftover food items are the Host's sole responsibility and Host agrees to release and hold Dave & Buster's harmless from any and all claims arising from the preparation and consumption of leftover food items. Foods left behind after the event's party will be discarded. Buffets are portioned per person and quantities based on the contracted number of guests. Buffet portions are finite and not replenishable. Additional charges will apply if more food is requested by Host, and extra servings are subject to availability. Dave & Buster's does not allow outside food of any kind to be brought into the facility without prior written approval. As a responsible server in accordance with state and local beverage regulations, we reserve the right to monitor and limit consumption of alcoholic beverages. It is customary to leave a gratuity for your service team, which will be shared among the servers, bartenders, and support team who work to ensure your event exceeds your expectations. To aid in your planning, a voluntary suggested gratuity of 18% of the subtotal is included in the event total in this document. For your convenience, the suggested gratuity amount will be included on the receipt you receive the date of the event. You may change the gratuity amount on the date of your event by adjusting the gratuity amount on your credit card slip or adjusting the amount of any cash gratuity. Pricing is subject to change.

NUMBER OF GUESTS ATTENDING THE EVENT

Final guest count must be received to the store no later than five (5) business days (Monday - Friday) prior to the event. In the event we do not receive final count by this date, we will prepare for the original contracted amount and charge guest accordingly. If, on the day of the event, the attendance varies from the final count, the Host will be charged based on the greater number of guests. There will be a minimum count required for each event.

PAYMENTS

Host is responsible for all payments due under this Agreement upon the conclusion of the event. Once a credit card is charged for full or partial, Dave & Buster's is unable to refund the credit card at a later date or accept alternate payment. (see D&B Rewards official rules at daveandbusters.com) Dave & Buster's does not accept gift cards or personal checks for payment of amounts due under this Agreement. LIMITATION OF LIABILITY Neither party shall be liable to the other for any indirect, special, incidental, punitive or consequential damages or lost profits arising out of or relating to this agreement. Further, in no event shall Dave & Buster's aggregate liability arising out of or relating to this Agreement exceed the amounts paid by Host hereunder.

AGREEMENT

I, the undersigned Host or agent for Host, do hereby agree to the terms and conditions set forth herein. If I am an agent of the Host, I hereby state that I am able to enter into this Agreement on behalf of the Host.

AGENDA MEMO

Village Council Meeting

Forest Park, Illinois

March 13, 2023

Issue Statement

Agenda Item 10.A: Discussion: IEPA Loan Application for Funding for Lead Water Service Line Replacements

Background

The Village Administrator will discuss the application that was filed with the ILEPA for funding assistance (low interest loan) to assist with the replacement of lead water service lines throughout the Village. It is hoped that the Village receives funding assistance via this application through the award of forgivable loan funding. In conjunction with said application, the Village shall hold a public hearing regarding same (said public hearing will be hosted by the Village's Public Works Director and Village Engineer).

Below, please find the link that contains the public hearing legal notice as well as application documents.

[LINK](#)

Again, it is hoped that the Village is able to secure forgivable loan funding (which is similar to a grant), as well as other grant funding, to pay for said lead water service line replacements - in efforts to minimize the utilization of any available local funds.

Following any funding announcement in the future by the ILEPA regarding said application, staff along with the Village's consulting engineers will report back to the Council in efforts to secure policy direction concerning the financing (based upon available funding sources such as grants or local funds) of future lead water service replacements throughout the Village (including if the Village shall not pursue loan assistance should none of it be forgivable). The Village will need to complete said lead water service line replacements over the course of the next 17 years pursuant to the State Law that was passed in 2021.
